TIMESHARE RENTALS*

2011

## Why are timeshare rentals so HOT?

...Because people just like you are recognizing that timeshare rentals are the most spacious, luxurious and affordable way to vacation.

### TIMESHARE RENTALS

Every day people discover a vacation option many did not even know existed—**renting timeshare**. Timeshare rentals are typically available at the destinations where you enjoy vacationing, as well as the ones that until now, you have only dreamed of visiting.

### WHY RENTING FROM CURRENT OWNERS IS SO ATTRACTIVE

Roughly 80% of timeshare owners use their vacation intervals or timeshare points each year. But when owners can't use their timeshare and choose not to exchange them or bank them for future use, they may use their timeshare as a rental, generally at a very competitive price.

The 10 timeshare rentals that attracted the most offers to rent at Sell My Timeshare NOW in 2010 (a total of **11,310 offers**) appear on the next page.
